

# What Does the Bible Say About... ?

## “The Sanctity of Life”

### Jeremiah 1:5

October 4, 2020 - Bob Hightchew

#### Introduction:

- “We hold these truths to be self-evident, that all men are created equal ... that they are endowed by their Creator with certain unalienable Rights ... that among these are: Life ... Liberty ... and the Pursuit of Happiness.” (Declaration of Independence)
  - Dictionary.com defines ... **Unalienable** as follows ... “Not transferable to another and not capable of being taken away or denied.”
  - **Romans 13:3-4**
  - Thirteenth Amendment – Ended slavery.
  - Fourteenth Amendment – Guaranteed rights to all Americans, no matter what.
  - Fifteenth Amendment – Gave the right to former male slaves to vote.
  - Nineteenth Amendment – Gave all women the right to vote.
  - When we think about the lack of Biblical morality that was part of the thinking of anyone who was pro-slavery, We must find that same lack of Biblical Morality in the thinking of those who are Pro-Choice.
  - The Dred Scott Decision on Slavery - 1857
    - Although he may have a heart and a brain, and he may be a human life biologically ... a slave is not a legal person ... The Dred Scott decision by the U. S. Supreme Court has made that clear.
    - A slave only becomes a legal person when he is set free ... Before that time, we should not concern ourselves about him because he has no legal rights.
    - If you think slavery is wrong, then nobody is forcing you to be a slave-owner ... But don't impose your morality on somebody else!
    - A man has a right to do what he wants with his own property.
    - Isn't slavery really something merciful? After all, every black man has a right to be protected ... Isn't it better never to be set free than to be sent unprepared, and ill-equipped, into a cruel world? (*Spoken by someone already free.*)
  - Supreme Court Decision on Abortion - 1973
    - Although he may have a heart and a brain, and he may be a human life biologically ... an unborn baby is not a legal person ... The Roe-V-Wade decision by the Supreme Court made that clear.
    - A baby only becomes a legal person when he is born ... Before that time, we should not concern ourselves about him because he has no legal rights.
    - If you think abortion is wrong ... then nobody is forcing you to have one ... But don't impose your morality on somebody else!
    - A woman has a right to do what she wants with her own body.
    - Isn't abortion really something merciful? ... After all, every baby has a right to be wanted ... Isn't it better never to be born than to be sent alone and unloved into a cruel world? (*Spoken by a person who had not been aborted*)
  - SO ... where is the outrage over the fact that we have lost 50 million babies since 1973?
  - **Jeremiah 1:4-5**
