Introduction:

- We have spoken about the fact that the REVIVAL of our country is not a responsibility that was ever given to the politicians of this land. **That responsibility was given to the Church.**
- If the Church remains silent on any issue in our land … The enemy will only get louder. And that will be the voice the people will hear. That will become the voice of authority they will follow. The TRUE Gospel MUST be proclaimed boldly.
- Week Two – Where are you storing your treasure?
- **Matthew 6:21**
- Last Week – When Jesus instructed the Ten Lepers what to do, they just did it. – **Luke 17**
- **Psalm 107:1**
- Do my kids see my passion for Jesus?
- **Charles Spurgeon** … "*Let no Christian parent fall into the delusion that Sunday School is intended to ease them of their personal duties … The first and most natural condition of things is for Christian parents to train up their own children in the nurture and admonition of the Lord*."
- **Lindsey Bell** … "*The goal of parenting isn't to create perfect kids … It is to point our kids to the perfect God*."
